

ALA Colorado Girls State Leadership Application

Positions of Director and Assistant Director

- *All persons interested in serving as the ALACGS Director or Assistant must fill out this application.*
 - *All applications must be turned in by checkout on the last day of the program. The ALACGS Steering Committee (within the next 2 weeks) will select names which will be recommended to the President-Elect who will approve and submit to the Department Executive Board (DEB) at Department Convention in June.*
 - *It is required that both the Director and Assistant Director are American Legion Auxiliary members during their tenure. The Assistant Director often succeeds the Director, but this is not automatically the case. Also, it has been customary for each person to serve two years in that position, but it is not required.*
 - *Directors can apply for a subsequent term, but **all** applications will be considered at the end of the ALACGS program.*
-
