

Hello Units,

It's that time to get ready for Convention and for your Poppy Centerpiece entries.

Theme: ***"Honor the Fallen "***

In a folder place:

- The Flanders Field Poem
- Write a 100 to 250 word story about how the Poppy supports both the fallen and the living
- Describe how you made your centerpiece
- Place Pictures of the centerpiece process
- How many were involved in the making of the centerpiece and their names.
- Focus on the Poppy and the Memory

Get creative, think outside the box.

I look forward to seeing all your entries at convention.
