OPERATION CHILD CARE

★★★★★ Project ★★★★★

DEPARTMENT PRESIDENT **ASHLEY FLORES'** SPECIAL PROJECT
2026-2027

The Operation Child Care Project is all about **supporting the children and families** of our nation's military members.

Military families face unique challenges, including deployments, relocations and the need for quality, affordable childcare.

Together, we can make a difference by providing resources, supplies, and support that help military families thrive.

When we care for
military children,
we care for
our future.

HOW YOU CAN HELP

DONATE

Collect books, educational supplies, games and craft items.

CREATE

Make activity kits or care packages for children of deployed parents.

SUPPORT

Partner with childcare centers, Family Readiness Programs and military services.

HOST

Plan family-friendly events or service projects.

FUND

Raise funds for organizations that provide childcare assistance.

ENGAGE

Involve Juniors and members in meaningful service!

Special Emphasis:

OUR JUNIORS

By engaging our Juniors in hands-on service, we inspire the next generation of leaders who will continue our mission of Service, Not Self.

Every act of kindness makes a lasting impact.

Growing Our Future 
TO HONOR THEIR SERVICE

One child. One family. One act of service at a time.

THANK YOU

for standing beside our military families and helping their children shine!

Together,
**WE CAN DO
GREAT THINGS!**
